

BMC Auction Donation Receipt

The Boston Mineral Club (BMC) is an education organization recognized by the IRS as a 501(c)(3) public charity. A major fundraising event of the BMC is the annual auction of mineral specimens, jewelry and lapidary items, mineral guidebooks and other reference materials, collecting tools and instruments, and numerous other items of interest to those involved in the study of mineralogy, geology, lapidary, gemology and related earth science disciplines.

This receipt documents the donations made by _____ on ___/___/20___ of the following items to be sold in the next auction to be held on June ___, 20___.

Item #	Description

Received By _____ Title _____ (PRINTED NAME) (SIGNATURE)

After the auction is completed, the BMC Treasurer will provide you with a record of the sale price(s) of your donated item(s) that you may use to establish their fair market value. Please consult your tax advisor to determine how the deductibility of these donations applies to your specific tax situation.
